

Sample PDF

Page 1 of 5

This is a simple sample document for testing PDF merge.
You can use it as one input file.

Sample PDF

Page 2 of 5

This page is intentionally left simple.
It exists to make the file five pages long.

Sample PDF

Page 3 of 5

You can place this file in your input folder
and merge it with other PDFs.

Sample PDF

Page 4 of 5

The order of files in the folder will affect the final merged document order.
